

## Child Greeting (pre opening)

Each classroom records a video-if possible include the teaching team

This video must be somewhat "quick" more of a virtual tour to maintain interest

Upload completed video to social media channel that your facility uses

If you've been teaching virtually this is a great place to also add the video

### Speaking Topics:

- 1) All teachers in classroom say hi to the children- without masks
- 2) All teachers in classroom say hi to the children- with masks on
  - a) Talk about a cue to let children know you're smiling at them since they will not see this emotion for some time (thumbs up, wink, etc)
- 3) Demonstrate how temperatures will be taken daily
  - a) Demonstrate on a stuffed animal
  - b) What will their new routine be? Will they still check in or write their name? Where will they place their one home item (if you are allowing that) go through that process
  - c) Where will their families say goodbye to them? Is there a visual set up?
- 4) Show difference in classrooms and how it may be rearranged or some popular items missing (soft items, items that cannot be easily sanitized and cleaned)
- 5) Take children on a tour of the facility
  - a) Show any barriers that have been placed
  - b) Any changes within the facility
